

Jars for Jesus

What is **Jars for JESUS**? It is the Global Missions Offering that our church takes up in December. I know December is not here yet, but it will be before we know it. Other things like birthdays, anniversaries, vacations, holidays, and bills will come along, too. What do those things have to do with Missions? More than we sometimes realize.

When we decide to take a vacation, we set aside money that is designated for our trip so when the time comes, the money is there. What if we applied that same principle to our Missions giving? Think of the impact we as a church could make collectively by being *purposeful* with our giving.

How do I start? Pray now about what The LORD would have you to give. Next, plan how much you will set aside each month for Missions. In the coming weeks, each family will be receiving a jar similar to the one pictured. Put your Missions offering in the jar each month. Most of all, pray for our missionaries throughout the year. On December 9, we will bring our jars and present them to The LORD!
